

Status Report

Intern: Rito

Week 10: 14th July, 2015 to 20th July, 2015

Number of hours worked: 25

Update:

We have successfully completed the migration of the original proof to the quantum setting one using zero added liabilities. The entire proof has been migrated or updated, section by section, as detailed in the attached document. We are now awaiting comment and in this week we will update the work as necessary, and then make the report a full-feature one.
